### 1) GENERAL DESCRIPTION

|         |                           |
|---------|---------------------------|
| Product | Round semi processed rice |
| Origin  | EU                        |

### 2) NUTRITIONAL VALUES in 100 g (Average Values - Source: USDA Nutrient Database)

|                  |                    |
|------------------|--------------------|
| Energy value     | 1481 kJ – 349 Kcal |
| Carbohydrate     | 78 g               |
| • Of which sugar | 0,3 g              |
| Protein          | 7,4 g              |
| Fat              | 0,6 g              |
| • Saturated fats | 0,1 g              |
| Sodium           | 0,01 g             |

### 3) CHEMICAL-PHYSICAL PARAMETERS

|                |                              |
|----------------|------------------------------|
| Appearance     | Uniform                      |
| Smell          | Characteristic, no off smell |
| Taste          | Characteristic, no off taste |
| Moisture       | 14 %                         |
| Broken         | 5 %                          |
| Chalked        | 4,5 %                        |
| Damaged        | 2,5 %                        |
| Red striped    | 3 %                          |
| Foreign matter | 0,01 %                       |
| Other rices    | 5 %                          |
| Grain length   | > 4,2 mm                     |

### 4) MICROBIOLOGICAL PARAMETERS

|                   |              |
|-------------------|--------------|
| Coliforms         | < 1000 ufc/g |
| Yeasts and Moulds | < 1000 ufc/g |
| Salmonella        | Negative     |

### 5) BIOLOGICAL PARAMETERS

|     |        |
|-----|--------|
| GMO | Absent |
|-----|--------|

|                                                                                   |                                                     |                                                                                     |

#### 7) STORAGE AND TRANSPORT CONDITIONS

|         |                                                                                                        |
|---------|--------------------------------------------------------------------------------------------------------|
| Storage | Store in a cool and dry place. Protect from humidity, heat and source of possible cross contamination. |
| Notes   | Product stored in dedicated warehouse with controlled temperature                                      |

#### 8) PACKAGING AND SHELF LIFE

|             |                                                       |
|-------------|-------------------------------------------------------|
| Packaging   | Double layer paper bag food grade                     |
| Net weight  | Big bags   25 kg   1 kg boxes                         |
| Shelf -life | Best before date within 12 months from the production |

#### 9) SAFETY MEASURES

|                                     |                                                                     |
|-------------------------------------|---------------------------------------------------------------------|
| CAS registry number                 | N.A.                                                                |
| Safety data sheet provided          | No                                                                  |
| Legislation reference               | Reg. CE does not state any safety measures for this type of product |
| Active ingredient                   | None                                                                |
| Hazard statements                   | None                                                                |
| Prevention precautionary statements | None                                                                |
